2.2 Financial Resources

The Trust is stable financially and revenue reserves have increased in aggregate in the last financial year providing funds to manage strategic risks going forward. This is supported by a positive cash flow position throughout this year. Our financial stability has been secured by the growth in pupils across all of our school settings and positive investment for the future.

We update our three-year financial strategy annually with the aim to further improve and maintain our financial resilience; this is in line with our positive SMRA reviews and DfE feedback (shared and discussed with the DfE).

The financial strategy is reviewed every year and the projections in our strategy show the Trust maintaining a strong going concern position and it sets out the steps to maintain the Trust's financial strength throughout the period.

Value for money is key to procurement and financial decision making/planning. Benchmarking is supported by information provided by the DfE from our SRMA reports/visits.

A key focus for further development in the next three years is income generation i.e. the lettings of sites, through selling our training programmes/services etc.

Finance is robustly monitored monthly by the Chair of Trustees and Chair of Finance and Resources Committee (FAR) and each half term the FAR committee meet to discuss, scrutinise and monitor budgets, resourcing etc.

Section 3: Strategic Priorities (addressing overarching key themes)

- **Pupils** – To ensure our schools provide the most effective and creative teaching to promote and provide high quality learning; ensuring growth in places available at our schools to support Brent LA in its growing need for specialist placements
- **Staff** – To continue to grow our own leaders of the future by further development of our Trust's/school's effective and stable team with coaching, high quality CPD for all (including our routes into leadership programme), coaching and excellent professional development
- **Leadership and Governance** – To continue to have strong leadership and governance across the Trust by the ongoing enhancement of our rigorous and robust programmes to support/train all staff/trustees/LAB governors that builds expertise and raises standards
- **Partnerships** – build on and further develop our network of partnerships, both locally and nationally, to ensure that we provide training, support, and collaboration with others to enhance SEND policy and practice
- **Finance** – To continue to improve financial resilience and ensure value for money across the Trust (including income revenue and investment). A key focus of this work is in continually enhancing our recruitment plan/processes to further decrease the need for agency staff
- **Growth** – to continue to expand by successfully opening and growing new provision and adding joining schools (mainstream, special and satellite provisions) to our MAT
- **Climate** – to ensure that we do all possible, as an organisation and in partnership with others, to reduce waste, be carbon neutral and support the climate change agenda
- **EDI** – ensuring our MAT/schools continue to develop policies and practice to ensure that 'everyone is included and feels included'. This includes further enhancing our EDI steering group's work and ensuring our EDI key areas for development are discussed and actions/impact reviewed, half termly at all levels to ensure continuous development
- **Data** – continue to further develop our Trust wide data and monitoring strategy; this includes further embedding our MIS system.

As a Multi Academy Trust we have clear strategic aims that are founded on our mission, vision and values under the umbrella of our nine key themes. This plan sets out the following objectives to ensure that as a Trust, the public, parents and all stakeholders have confidence in our approach.

Our Strategic Priorities for the next three years are divided into three levels of priority:

Critical/immediate priorities are imperative challenge requiring immediate energy. They are essential because they are a necessary condition for the long-term priorities to be fulfilled

Strategic priorities are important because they develop the Trust and provide long-term sustainability. After the relevant time period, these priorities either finish or become standard operating objectives.

Standard operating priorities are outlined to sustain and maintain the status quo. These priorities require monitoring and follow up to ensure RPT keeps its current high level of productivity

Table 1: Overview of Priorities

Strategic Priorities	Growth	Grow our pupil numbers in each school to support the LA in special school placement, to become a family of schools with at least 4 schools (plus satellite provisions) by 2027/8
		Further grow our training and outreach provision to support other schools, the LAs we serve, parents and organisations
		Further develop our reputation through our training offer, our website information, marketing, our conferences etc.
	Partnerships	Build on and further develop our network of partnerships, to provide training, support, and collaboration to enhance education, school improvement, SEND policy and practice and preparation for adulthood/post 19 pathways
		Open our schools to provide community activities i.e. play schemes and develop our income generation i.e. the lettings of sites, through selling our training programmes/services etc.
	Data	Ensure key metrics are clearly visible and reported upon consistently across all Trust schools and ensure GDPR is robust
	Finance	Increase the efficiency and quality of RPT's range of Trust to schools support and provision by reviewing our central team offer on an annual basis. Enhance our income generation streams through the lettings of sites, selling our training programmes/services etc. Ensuring all elements of the SRMA reviews/report are actioned
	EDI	Further enhance our EDI steering group's work. Ensuring our EDI key areas for development are discussed. and actions/impact reviewed, half termly at all levels to ensure continuous development. Continue to have focussed EDI targets on all schools SIPs

	Climate	Reduce waste, energy etc. and become carbon neutral (all schools to gain/be working towards or further developing their ECO schools award/work)
Standard Operating Priorities	Pupils	Ensure sustainable capacity for improvement in every RPT school. Continue to offer all pupils an outstanding provision and enhanced personal development opportunities
	Staff	Further develop our People strategy with the key focus on recruitment and retention, EDI and succession planning. As part of this, enhance our Leaders of the Future and Routes into Teaching training offer, further develop our People Strategy, Leadership Strategy, EDI Policy and continue to offer coaching/excellent CPD for all staff, at every level
	Leadership and Governance	Sustain and maintain excellence in Board of Trustees/Local Academy Board leadership and governance. Quality assure our work through the use of the DfE's assurance framework.
	Finance	Maintain and continue to improve financial resilience (including enhanced income generation and investment)
		Ensure continuing value for money across the Trust.
